DEFINITIONS

The following definitions shall apply to Forms CCC-502A, CCC-502B, CCC-502C, CCC-502D, CCC-502EZ and this appendix.

- 1 **ACTIVE PERSONAL LABOR** - is personally providing physical activities necessary in a farming operation, including activities involved in land preparation, planting, cultivating, harvesting, and marketing of agricultural commodities in the farming operation. Other physical activities include those physical activities required to establish and maintain conserving cover crops or conserving use acreages and those physical activities necessary in livestock operations.
- 2 **ACTIVE PERSONAL MANAGEMENT** - is personally providing:
 - A The general supervision and direction of activities and labor involved in the farming operation; or
 - B Providing services (whether performed on-site or off-site) reasonably related and necessary to the farming operation including any of the following:
 - (1) Supervision of activities necessary in the farming operation, including activities involved in land preparation, planting, cultivating, harvesting, and marketing of agricultural commodities, as well as activities required to establish and maintain conserving cover crops or conserving use acreages and activities required in livestock operations.
 - (2) Business-related actions which include discretionary decision making;
 - (3) Evaluation of the financial condition and needs of the farming operation;
 - (4) Assistance in the structuring or preparation of financial reports or analyses for the farming operation;
 - (5) Consultations in or structuring or business-related financing arrangements for the farming operation;
 - (6) Marketing and promotion of agricultural commodities produced by the farming operation;
 - (7) Acquiring technical information used in the farming operation; or
 - (8) Any other management function reasonably necessary to conduct the farming operation and for which service the operation would ordinarily be charged a fee.
- 3 **CAPITAL** - consists of the funding and rental value of livestock provided by an individual or entity to the farming operation in order for such operation to conduct farming activities. In determining whether an individual or entity has contributed capital to the farming operation, such capital must have been derived from a fund or account separate and distinct from that of any other individual or entity involved in such operation. Capital does not include the value of any labor or management which is contributed to the farming operation. A capital contribution may be a direct out-of-pocket input of a specified sum or an amount borrowed by the individual or entity. With respect to a farming operation which consists of more than one individual or entity:
 - A Such capital which is contributed to meet the requirements of 7 CFR Part 1400.201 (b) must be contributed directly by the individual or entity and must not be acquired as a result of a loan made to:
 - (1) The farming operation in which the individual or entity has an interest;
 - (2) Such individual, entity, or farming operation by the farming operation or any of its members, beneficiaries or related entities; or
 - (3) Such individual, entity, or farming operation, which was guaranteed or secured by the farming operation or any of its members, beneficiaries or related entities.
 - B Such capital which is contributed to meet the requirements of 7 CFR Part 1400.201 (d) and 1400.6 must be contributed directly by the individual or entity and if acquired as a result of a loan made to the individuals or entities, such loan must be a loan bearing the prevailing interest rate.
 - C If livestock is leased from another individual or entity with an interest in the farming operation, the livestock must be leased at a fair market value.
- 4 **ENTITY** - is a corporation, joint stock company, association, limited partnership, irrevocable trust, revocable trust, estate, charitable organization, or other similar organization including any such organization participating in the farming operation as a partner in a general partnership, participant in a joint venture, a grantor of a revocable trust, or as a participant in a similar organization.
- 5 **EQUIPMENT** - is the machinery and implements needed by the farming operation to conduct activities of the farming operation including machinery and implements involved in land preparation, planting, cultivating, harvesting or marketing of the crops involved. Equipment also includes machinery and implements needed to establish and maintain conservation cover crops or conservation use acreages and those needed to conduct livestock operations. With respect to a farming operation which consists of more than one individual or entity:
 - A Such equipment which is contributed to meet the requirements of 7 CFR Part 1400.201 (b) must be contributed directly by the individual or entity and must not have been acquired as a result of a loan made to:
 - (1) The farming operation in which the individual or entity has an interest;
 - (2) Such individual, entity, or farming operation by the farming operation or any of its members, beneficiaries or related entities, or
 - (3) Such individual, entity, or farming operation, which was guaranteed or secured by the farming operation or any of its members, beneficiaries or related entities.
 - B Such equipment which is contributed to meet the requirements of 7 CFR Part 1400.201 (d) and 1400.6 must be contributed directly by the individual or entity and if acquired as a result of a loan made to the individuals or entities, such loan must be a loan bearing the prevailing interest rate.
 - C Such equipment may be leased from any source. If such equipment is leased from another individual or entity with an interest in the farming operation, the equipment must be leased at a fair market value.
- 6 **FAMILY MEMBER** - The term "family member" means an individual to whom another member in the farming operation is related as lineal ancestor, lineal descendant, or sibling, including spouses of those family members who do not make a significant contribution to the farming operation themselves.
- 7 **FARMING OPERATION** - is a business enterprise engaged in the production of agricultural products which is operated by an individual or entity which is eligible to receive payments, directly or indirectly.
- 8 **LAND** - is farmland consisting of cropland, pastureland, wetland, or rangeland which meets the specific requirements of the applicable program. With respect to a farming operation which consists of more than one individual or entity:
 - A Such land which is contributed to meet the requirements of 7 CFR Part 1400.201 (b) must be contributed directly by the individual or entity and must not have been acquired as a result of a loan made to:
 - (1) The farming operation in which the individual or entity has an interest;
 - (2) Such individual, entity, or farming operation by the farming operation or any of its members beneficiaries or related entities; or
 - (3) Such individual, entity, or farming operation which was guaranteed or secured by the farming operation or any of its members, beneficiaries or related entities.
 - B Such land which is contributed to meet requirements of 7 CFR Part 1400.201 (d) and 1400.6 must be contributed directly by the individual or entity and if acquired as a result of a loan made to the individuals or entities, such loan must be a loan bearing the prevailing interest rate.
 - C Such land may be leased from any source. If such land is leased from another individual of entity with an interest in the farming operation, the land must be leased at a fair market value.
- 9 All other terms utilized in this form shall be defined pursuant to 7 CFR Part 1400.
